

POLITECHNIKA POZNAŃSKA

Call for Papers: KKIO 2022

The 23rd KKIO Software Engineering Conference
September 15-16, 2022 Poznan, Poland (online, no registration fees)

<https://kkio.pti.org.pl/2022>

Scope of the Conference

Topics of interest include, but are not restricted to:

- ◆ Software requirements engineering and modeling
- ◆ Software architectures (incl. components, MDA)
- ◆ Software design
- ◆ Software testing, analysis, and verification
- ◆ Project management
- ◆ Agile software development methodologies and practices
- ◆ Software quality
- ◆ Software measurement and metrics
- ◆ Reverse engineering and software maintenance
- ◆ Empirical and experimental studies in software engineering
- ◆ Object-oriented software development
- ◆ Software tools, containers, frameworks, and development environments
- ◆ Formal methods in software engineering
- ◆ Internet software systems development
- ◆ Human-computer interaction
- ◆ AI and knowledge-based software engineering
- ◆ Data mining in software engineering
- ◆ Prediction models in software engineering
- ◆ Mining software repositories
- ◆ Software products and process improvement and measurement programs
- ◆ Process maturity models
- ◆ Software engineering education

Important Dates

- Submissions
 - Abstract: June 1, 2022
 - Research papers: June 30, 2022
- Notification of acceptance
 - Presentations: June 20, 2022
 - Research papers: July 31, 2022

Submissions

We invite submissions related to all the topics of interest of the conference. All contributions must be original, not published, accepted, or submitted for publication elsewhere. All papers will be subjected to peer review.

There are two formats of submissions:

Presentations

Evaluated based on abstract

Allows to share your research or industrial experience within a conference presentation.

The language of submission is either English or Polish.

Full Research Papers

Evaluated based on both abstract and paper contents

Allows to share your research or industrial experience not only during the conference but also within a publication in a software engineering journal

The language of submission is English.

Submission process is through EasyChair:

<https://easychair.org/conferences/?conf=kkio22>

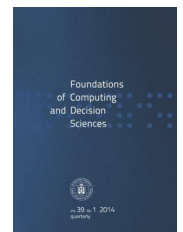

Submissions must conform to the author's guidelines published on the conference web page:

<https://kkio.pti.org.pl/2022/submissions/>

Selected English papers will be invited to publication in the following journal:

- ◆ Foundations of Computing and Decision Sciences (FCDS) (Open Access)

<https://sciendo.com/journal/FCDS>

Organization

Program Co-Chairs:

Sylvia Kopczyńska, Bartosz Walter
Poznan University of Technology, Poland

Program Committee Members:
